

Name _____

Club _____ Rating _____

Participation in Local & Regional USPC Activities Form

Directions: The pony clubber should utilize these guidelines to validate participation in local and regional activities. Review activities of the last 12-18 months for the most part. Some experiences will be once in a lifetime and can be included. Put an X in the vertical column that applies to percent of participation for each of the numbered items. Examples should be given, including name of the activity, date, time spent.
